YOUNG MAKERS PROGRAM

The LELC Young Makers Program help students aged 8-18 embrace their inner makers and embark on their own creative path. Our program is for students on a journey to learn a trade through making hands-on projects. This program is ran by people who have a passion for making things and want to share their knowledge with young makers who would like to develop the same passion!

Students will also have a chance to meet some inspiring mentors and entrepreneurs who can give them tips and tricks on how they can turn their hands-on projects into a money generating business!

Participants will be able to learn how to create various projects while being introduced to the Cricut machine and other Cricut equipment:

Mini Cutting Board * Coffee Mug * Tote / Drawstring Bag * T-shirts
* Tumblers & Water Bottles * Drawstring Bag * Personalized Binder
* Balloon Arches * Door Wreaths * and much more!

The young makers will meet twice a month on Saturdays at our Fontana and Riverside locations:

5750 Division Street Ste. 100 Riverside, CA 92506

6101 Cherry Avenue Fontana, CA 92336

During these sessions, students will be able to learn about business and entrepreneurship and develop a new skill.

**To sign up, please call your local LELC branch. You can also submit an online inquiry via our website:
www.leadingedgelearningcenter.com**

THE OFFICE BUSINESS GROWTH GROUP

LOOKING TO ADVERTISE?

Give your business a boost and advertise in our monthly digital green book

We pride ourselves on being a veteran and black-owned and operated business and would love to partner with other businesses right in our community! If you are in Southern California and own a business or provide a service, you can participate!

Whether it's a spot on our website, an advertisement in one of our digital booklets, or a special event vendor opportunity, we have something for every business owner's budget that may help you and your business acquire a new set of customers.

Enhance your organization's existing marketing exposure and extend visibility in our monthly digital green book!
